TOP STORY

A Report About Fast New Missiles

INTERNATIONAL — A new report shares big news. Russia may help Iran build fast missiles. These missiles can fly very fast. They are called supersonic missiles.

That means faster than sound. Many countries are watching this news. Leaders want to keep people safe. Experts are studying the report.

Why it matters: *This news helps us understand what is happening around the world.*

MONEY & WORK

More People Are Looking for Jobs

WASHINGTON, D.C. — New numbers show more people are jobless. This is called the unemployment rate. The rate went up this summer. It is close to a four-year high.

The government tracks this every month. Experts want to know why it changed. Families and workers watch these numbers closely. More news will come out soon.

Why it matters: *This helps families understand how easy it is to find work.*

SPORTS

Yankees Win Big Game

NEW YORK, N.Y. — The Yankees won a baseball game. They beat the Angels on Tuesday. The final score was seven to three. Yankees fans cheered at the ballpark.

The team plays many more games this month. Fans hope for more wins soon. The season is getting close to its end.

Why it matters: *Winning games helps the team try to reach the playoffs.*

Giants Get Their New Football Schedule

EAST RUTHERFORD, N.J. — The New York Giants got a new football schedule. It shows all their games for this season. They will play the Cowboys, Eagles, and Commanders.

These teams are close rivals of the Giants. Fans are excited to see the matchups. The football season starts soon.

Why it matters: *Knowing the schedule helps fans plan to watch their team.*
